

# Which Easter business bunny is hiding the Easter eggs?

Pick a bunny from 1-25 for a chance to win

Suggested donation £2 per guess

## Which Easter business bunny is hiding our Easter eggs?

### How to play

1. Pick an Easter Bunny from 1-25, then put your name and contact details under your chosen Bunny - in return for a suggested donation of £2 per guess (this could be done virtually by having a list instead).
2. Share around your office/place of work/online with colleagues, making sure that everyone records their details correctly for each guess - (important so that you can find the lucky winner!).
3. Once the sheet is full and/or on a nominated date (insert below), make sure the donation has been collected and everyone has made their guess. You can then reveal which Easter Bunny has been hiding the Easter eggs and announce the winner.
4. The winner will receive a percentage of the money raised OR an alternative prize of your choice. The remaining money raised will go to Helen & Douglas House, Oxford, OX4 1RW and can be paid by post or on online at [www.hdh.org.uk/donate](http://www.hdh.org.uk/donate). Thanks for playing!

The winner will be revealed on \_\_\_\_\_

Notes to the organiser: before the game begins, you should decide which bunny is hiding the Easter eggs, then write the number, from 1-25, on the right-hand-side of this sheet, tear it off and keep it in a safely sealed envelope until prize day.

Then put the poster up at your workplace - this could be in the staff room, kitchen or in the office, the choice is yours...
